

Product Specification Sheet

Product Name: X200 PRESSURE SENSOR

SKU: X200-24

Category: Pressure Sensor

ETIM Code: XXXX

--- Page 4 ---

Electrical Specifications:

Rated Voltage: 24 V

Certifications:

RoHS Compliant

REACH Compliant

UL Certification: Pending Review

--- Page 5 ---

Physical and Operational Specifications:

Maximum pressure: 500 bar

IP Rating: IP65

Material: Stainless Steel

Operating Temperature: -20 to 80 degrees C

Related Products:

Similar to X201.

Potential replacement for X250.

Product Specification Sheet

Compatible with X500 system.
