

Product Specification Sheet

Product Name: P200 HIGH PRESSURE HYDRAULIC PUMP

SKU: P200-HP-50

Category: Hydraulic Pump

ETIM Code: EC002620

--- Page 1 ---

Performance Specifications:

Max Pressure: 350 bar

Flow Rate: 50 L/min

Displacement: 25 cc/rev

Certifications:

ISO 9001

CE Certified

--- Page 2 ---

Physical Specifications:

Material: Cast Iron

Weight: 28 kg

Port Size: 3/4 inch NPT

Operating Temperature: -10 to 90 degrees C

Fluid Compatibility: Mineral Oil, Synthetic Fluids

Maintenance:

Recommended filter replacement every 1000 hours.
