

Product Specification Sheet

Product Name: Y300 TEMPERATURE SENSOR

SKU: Y300-12

Category: Temperature Sensor

ETIM Code: EC002988

--- Page 2 ---

Electrical Specifications:

Rated Voltage: 12 V

Power Consumption: 0.5 W

Certifications:

RoHS Compliant

CE Certified

UL Certification: Approved

--- Page 3 ---

Physical and Operational Specifications:

Temperature Range: -40 to 125 degrees C

Accuracy: +/- 0.5 degrees C

IP Rating: IP67

Material: Aluminum

Response Time: < 2 seconds

Related Products:

Replaces older Y200 model.
